

**Blue Cross and Blue Shield of Texas**  
(herein called “We, Us, Our”)

**BlueEdge<sup>SM</sup> Individual HSA  
Preferred Provider Plan providing**

**Comprehensive Major Medical Coverage  
REQUIRED OUTLINE OF COVERAGE**

**I. Read Your Contract Carefully.** This Outline of Coverage provides a very brief description of some important features of Your Contract. This is not the insurance contract and only the actual contract provisions will control. The contract itself sets forth, in detail, the rights and obligations of You, Your Physician or Professional Other Provider and Us. It is, therefore, important that You **READ YOUR CONTRACT CAREFULLY!**

**II.** This plan is designed to provide You with coverage for major Hospital, medical, and surgical expenses that You incur for necessary treatment and services rendered as the result of a covered injury or sickness.

Coverage is provided for the benefits outlined in Paragraph III. The benefits described in Paragraph III may be limited by Paragraph IV.

**III. Benefits**

We have a network of Providers to serve Participants throughout Texas called the Network. When You use these Providers, You receive Network Benefits. You will receive a Provider Directory listing these Providers when You enroll and at least annually thereafter.

Providers not listed in the directory are called Out-of-Network Providers. When You use these Providers, You will receive Out-of-Network Benefits except in special situations as explained in Your contract.

A. **Benefit Period** – Your Benefit Period is a Calendar Year (begins January 1 and ends December 31).

B. **Calendar Year Deductibles** – Your Deductibles are based on Your plan selection and whether You choose “Individual Coverage” or “Family Coverage.” If “Individual Coverage” is elected, the individual Deductible amount must be satisfied before any benefits under the contract will be available, with the exception of the child immunization and the hearing screening benefits. If “Family Coverage” is elected, the family Deductible amount must be satisfied by the family before benefits under the contract will be available, with the exception of the child immunization and the hearing screening benefits. The Deductible shall apply to all combined Inpatient Hospital Expense, Medical-Surgical Expense, Outpatient Prescription Drug, and/or Extended Care Expense.

Plan VIII <input type="checkbox"/>	\$5,000	\$10,000	\$10,000	\$20,000

C. **Out-of-Pocket Maximum** – Your Out-of-Pocket Maximum is based on Your plan selection and whether You choose “Individual Coverage” or “Family Coverage.” Your Out-of-Pocket Maximum includes the Deductible, Coinsurance and any applicable Outpatient Prescription Drug Copayment Amounts. When the applicable Out-of-Pocket Maximum is reached, the benefit percentages for Eligible Expenses shall increase to 100% for the remainder of that Calendar Year. The Out-of-Pocket Maximum does not include:

- Services, supplies, and charges limited or excluded by the contract; or

- Expenses not covered because a benefit maximum has been reached; or
- Charges in excess of the Allowable Amount; or
- Penalties for not preauthorizing *Inpatient Hospital Expense, Extended Care Expense* or Home Infusion Therapy.

		Individual	Family	Individual	Family
Plans I through VI	<input type="checkbox"/>	\$3,000	\$6,000	\$6,000	\$12,000
Plan VII	<input type="checkbox"/>	\$3,500	\$7,000	\$7,000	\$14,000
Plan VIII	<input type="checkbox"/>	\$5,000	\$10,000	\$10,000	\$20,000

- D. **Pre-authorization** – Pre-authorization is required for all Hospital Admissions, *Extended Care Expense*, Home Infusion Therapy and organ and tissue transplants. You, Your Physician or Professional Other Provider or a family member must call the toll free telephone number listed on the back of the Identification Card.

When a Hospital Admission is pre-authorized, a length-of-stay is assigned. This Contract provides a minimum length-of-stay in a Hospital for the treatment of breast cancer, (1) 48 hours following a mastectomy, and (2) 24 hours following a lymph node dissection.

Failure to pre-authorize will result in a \$250 penalty for Hospital Admissions. A penalty in the amount of 50%, not to exceed \$500, will apply to *Extended Care Expense* or Home Infusion Therapy for failure to preauthorize.

- D. **Coinsurance** – Based on Your plan selection, after the applicable Deductible(s), if any, are met, Your coverage pays a percentage of the Allowable Amount for Eligible Expenses provided by a Network Provider and an Out-of-Network Provider, subject to other provisions of the contract. Any remaining unpaid Eligible Expenses, if any, become Coinsurance and is applied to the Out-of-Pocket Maximum and must be paid by You.

Plans IV, V, VI	<input type="checkbox"/>	75% of Allowable Amount after Calendar Year Deductible	60% of Allowable Amount after Calendar Year Deductible

**IMPORTANT TO YOUR COVERAGE**

To pay less Out-of-Pocket Expenses and to receive the higher level of benefits for your health care costs, it is to your advantage to use Network Providers. If you use Network Providers, you will not be responsible for any charges over the Allowable Amount as determined by BCBSTX. What follows is an example of how much you would pay if you use a Network Provider and how much you would pay if you use a non-contracting Out-of-Network Provider. To make the example easier to follow, assume the Allowable Amount is the same. (NOTE: In most cases, however, the non-contracting Allowable Amount will be less than the contracting Allowable Amount, meaning your total payment responsibility will be even greater.)

**EXAMPLE ONLY**

	In-Network	Out-of-Network
	90% of eligible charges	70% of eligible charges
	\$2,000 Deductible	\$4,000 Deductible
Eligible Expenses Billed	\$20,000	\$20,000
Allowable Amount	\$5,000	\$5,000
Deductible Amount	\$2,000	\$4,000
Plan's Coinsurance Amount	\$2,700	\$700
Your Coinsurance Amount	\$300	\$300
Non-Contracting Provider's additional charge to you	None	\$15,000 <sup>1</sup>
<b>YOUR TOTAL PAYMENT</b>	<b>\$2,300</b>	<b>\$19,300</b>
	<b>to a Network Provider</b>	<b>to a Non-contracting Out-of-Network Provider</b>

Even when You consult a Network Provider, ask questions about any of the Providers rendering care to You. For example, if You are scheduled for surgery, ensure that Your Network surgeon will be using a Network facility for Your procedure and a Network Provider for Your anesthesia services.

<sup>1</sup> If You choose to receive services from an Out-of-Network Provider, inquire if he participates in a contractual arrangement with BCBSTX. Providers who do not contract with BCBSTX or any other Blue Cross and Blue Shield plan may bill the patient for expenses over the Allowable Amount. Please refer to the section entitled *PARPLAN* in the Contract.
