Eligible Dependents include:

1. the spouse of an Employee; and/or

The Employee must notify their institution HR/Benefits Office of the child's disability before the child's 26th birthday. Periodically, the Employee may be required to provide evidence of the child's continuing disability and proof of support to the System, but not more frequently than once every twelve months.

ELIGIBILITY AFTER TERMINATION OF EMPLOYMENT

If an Employee's coverage ends due to termination of employment, he must meet all the requirements of a new Employee if he is rehired at a later date.

EMPLOYEE ENROLLMENT and EFFECTIVE DATE OF COVERAGE

ACTIVE EMPLOYEE ENROLLMENT

A newly eligible Employee who enrolls for employee-only medical coverage is automatically enrolled for Basic AD&D coverage which becomes effective* on their date of eligibility as determined by their UT institution.

The Employee may also enroll for contributory coverage (Voluntary AD&D, Dependent Voluntary AD&D, and/or Voluntary Spouse AD&D) according to the eligibility requirements. Amounts of coverage are set forth in the Schedule of Benefits and will become effective* as follows:

1. If the Employee submits an Enrollment Form for contributory coverages and requests payroll deduction for any required premium by their 31st day of work, any elected Voluntary coverages will become effective on the date they become eligible as determined by their UT institution.
2. If the Employee submits an Enrollment Form for contributory coverages and requests payroll deduction for any required premium to the institution HR/Benefits Office more than 31 days after their first day of eligibility, they will be considered a late applicant and must wait to enroll until the next annual enrollment or in conjunction with a qualified Change in Status event.

* Insurance effective date is reliant upon the Employee having met the Active Service definition of this Policy.

DEFERRED EFFECTIVE DATE

An Employee must be in Active Service on the date his initial coverage or any increases in coverage are scheduled to begin. If he is not in Active Service on the date coverage would otherwise become effective and his absence is caused by an Injury, illness or layoff, the effective date of any initial coverage or increased coverage will be deferred until the first day he returns to Active Service. An Employee will be considered in Active Service if he was actually at work on the day immediately preceding:

1. a weekend (except for one or both of these days if they are scheduled work days);
2. a holiday (except when such holiday is a scheduled work day);
3. a paid vacation;
4. any nonscheduled work day.

An Employee will be considered in Active Service if he is insured under the Prior Plan and is on an Employer approved leave of absence on the date immediately preceding the Policy Effective Date.

If a Dependent is hospital confined on the date his coverage would otherwise become effective, insurance will not become effective until the date the Dependent is no longer hospital confined. For the purposes of this provision, *no longer hospital confined* means the dependent has been discharged from a hospital, nursing home or other medical facility which provides skilled medical care.

CHANGE IN STATUS

An Employee who experiences a qualified Change in Status, may add or drop Voluntary AD&D amounts without providing Evidence of Insurability. The Employee must submit the appropriate enrollment form(s) to his institution HR/Benefits Office within 31 days of the Change in Status.

CHANGE IN COVERAGE

Increases in coverage amounts may be made in accordance with the Change in Status provision or during a regularly scheduled Annual Enrollment period. No Evidence of Insurability will be required for changes in Voluntary AD&D or Dependent AD&D coverage changes.

BENEFICIARY PROVISIONS

THE BENEFICIARY

Other AD&D benefits will be payable as specifically set forth in the benefit provision. You must designate a beneficiary(ies) on a form provided or approved by Us. If You name two or more beneficiaries, We will pay the proceeds equally unless You specify otherwise. The Policyholder may not be named as beneficiary.

Unless You provide otherwise, if a beneficiary dies before You, We will divide that beneficiary's share equally between any remaining named beneficiaries. If no named beneficiary survives You or if You do not name a beneficiary, We will pay the amount of insurance:

2. in equal shares to Your then living natural or adopted children, if any; if none,

This provision does not prevent Us from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

If any benefits under this provision are to be paid to Your estate, We may pay an amount not greater than \$250 to any person We consider to be equitably entitled by reason of having incurred funeral or other expenses incident to Your death. Any and all payments made by Us shall fully discharge Us in the amount of such payment.

Dependent(s) Coverage: You are the primary beneficiary for death & dismemberment benefits payable for a covered Spouse or Dependent Child. Other benefits will be payable as specifically set forth in the benefit provision.

CHANGE OF BENEFICIARY

You may change Your beneficiary designation at any time by completing the appropriate change request form and submitting it to Us. Your written request for change of beneficiary will not be effective until it is recorded by Us or by the Policyholder. After it has been so recorded, it will take effect on the later of the date You signed the change request form or the date You specifically requested. If You die before a change has been recorded, We will not alter any payment that We have already made. Any prior payment shall fully discharge Us from further liability in that amount.

This exclusion is applicable whether or not the loss is related to the operation of a motor vehicle.

NOTICE OF CLAIM

If You or a covered Dependent incurs a Loss that may result in a claim for benefits under the Policy, written notice must be given to Us at Our administrative office. This should be done within 90 days after the covered loss occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice must contain enough information to identify the claimant.

CLAIM FORMS

When We receive written notice of a claim, We will send the claimant forms with which to file proof of loss. If these forms are not given to the claimant within 15 days, he will be excused from filing the forms provided he sends Us written proof of loss detailing the occurrence, the character and extent of the loss for which claim is made.

PROOF OF LOSS

We must receive written proof of loss within 91 days after the date of the Loss for which claim was made. If it can be shown that it was not reasonably possible to furnish such proof and that such proof was furnished as soon as reasonably possible, failure to furnish proof of loss within 91 days will not invalidate or reduce any claim. However, except in the absence of legal capacity, proof of loss must be furnished no later than one (1) year from the date such proof is required.

TIME OF PAYMENT OF CLAIMS

Benefits for a Loss covered under the Policy will be paid as soon as We receive proper written Proof of Loss.

BENEFIT PROVISIONS

SEAT BELT BENEFIT

We will pay an additional benefit, the Seat Belt Benefit, of the lesser 10% of Your Principal Sum or \$50,000 to Your designated beneficiary if the Principal Sum under the AD&D Benefit is payable for Loss life as the result of an Accident which occurs while You are driving or riding in an automobile, if:

1. the automobile is equipped with Seat Belts;
2. the Seat Belt was in actual use and properly fastened at the time of the Accident;
3. the position of the Seat Belt is certified in the official report of the Accident or by the investigating officer. A copy of the police Accident report must be submitted with the claim; and
4. You were driving or riding in an Automobile driven by a licensed driver who was neither:
 - a. intoxicated or driving while impaired. Intoxication and impairment shall be determined by the law of the jurisdiction in which the Accident occurs, with or without conviction; nor
 - b. under the influence of any narcotic, hallucinogen, barbiturate, amphetamine, gas or fumes, poison or any other controlled substance as defined in Title II of the Comprehensive Drug Abuse prevention and Control Act of 1970, as now or hereafter amended, unless as prescribed by a licensed physician and used in the manner prescribed. Conviction is not necessary for a determination of being under the influence.

Air Bag means an inflatable supplemental passive restraint system installed by the manufacturer of the Automobile, or proper replacement parts as required by the Automobile manufacturer's specifications, that inflates upon collision to protect an individual from Injury and death. An Air Bag is not considered a Seat Belt.

COMA BENEFIT

If, as a result of a covered Accident, an Insured is injured, We will pay an additional benefit if the Insured becomes Comatose within 31 days of the Accident and remains Comatose beyond the Waiting Period.

We will pay this benefit at the rate of 1% of the Insured's Principal Sum per month from the end of the Waiting Period. We will cease payment on the earliest of:

1. the end of the month in which the Insured dies;
2. the end of the 11th month for which this benefit is payable; or
3. the end of the month in which the Insured recovers from the Coma.

If the Insured:

1. dies from any cause or as a result of the covered Accident while this Coma Benefit is payable; or
2. remains Comatose after this Coma Benefit is payable for 11 consecutive months, we will pay a lump sum benefit equal to the Principal Sum payable under the Policy for Accidental Death, reduced by the amount of any Accidental Dismemberment, loss of sight, speech, hearing or paralysis benefits paid to the Insured for the Loss caused by the covered Accident.

Except, bacterial infection that is the natural and foreseeable result of an Accidental Injury or Accidental food poisoning is not excluded.

EXPOSURE AND DISAPPEARANCE BENEFIT

In the event You are unavoidably exposed to the elements as a result of an Accident, and because of exposure suffer a Loss for which a benefit is otherwise payable under the Policy, such Loss will be covered in accordance with the provisions of the Policy.

If You are not found within 365 days from the date of the disappearance, wrecking or sinking of the conveyance in which You were riding, in the course of a trip which would be covered under the Policy, it will be presumed You sustained Loss of Life as a result of Injury.

PUBLIC CONVEYANCE BENEFIT

We will pay an additional benefit, the Public Conveyance Benefit, of the lesser of Your Principal Sum or \$150,000 if an AD&D benefit is payable for Your loss of life as the result of an Accident which occurs while You are a Fare-Paying passenger in a Public Conveyance that:

3. Brain Damage continues for 12 consecutive months; and
4. Competent medical authority, acceptable to Us, determines the Brain Damage is permanent, complete and irreversible at the end of the 12 consecutive month period.

The total amount of benefit payable under this provision, in addition to any other benefits payable under the Policy, cannot exceed Your Principal Sum. The most We will pay under the Policy for all Losses resulting from any one Accident is Your AD&D Coverage Amount.

Brain Damage means the physical damage to the brain that subsequently renders the Insured unable to perform without human assistance or regular supervision from another person at least two of the Activities of Daily Living as defined below.

The Child Care Center Benefit is payable for each child who qualifies:

1. in an amount up to 3% of Your Principal Sum, but not more than \$5,000 per year; and
2. only while the Dependent Child continues to be enrolled in a legally licensed Child Care Center.

We will pay this benefit once a year, at the end of a 12-month period in which there are documented Child Care Center expenses, for not more than five (5) consecutive years, or until the Dependent Child's 13th birthday, whichever happens first.

This benefit will be payable to the surviving spouse, if the spouse has custody of the Child. If there is no surviving spouse, or the child does not live with the spouse, then the benefit will be paid to the Child's legally appointed guardian.

If at the time of the Accident, coverage for a Dependent Child is in force, but there is no Dependent Child who qualifies, we will pay an additional benefit of \$1,500 to Your designated beneficiary.

Child Care Center means a facility which is run according to law, including laws and regulations applicable to child care facilities, and which provides care and supervision for children in a group setting on a regular, daily basis.

Benefits are payable to the Survivor, or the person who actually paid the premium on the Survivor's behalf, if other than the Survivor.

GENERAL PROVISIONS

ENTIRE CONTRACT

The Policy, the Application, any attached papers, agreements and/or endorsements and the enrollment forms of the Insureds are considered to be the entire contract.

STATEMENTS

We consider any statements made by the Policyholder or any Insured, in the absence of fraud, to be representations and not warranties. No such statement shall be used in defense to a claim under the Policy unless it is contained in a written application signed by the Insured and a copy of such application is or has been given to him or to his beneficiary or personal representative.

INCONTESTABILITY

We will not contest the validity of the Policy, except for nonpayment of premium, after it has been in force for two (2) years from its effective date. We will not contest the validity of an Insured's insurance after his insurance has been in force before the contest for a period of two years from its date of issue during the insured's lifetime and unless the statement is contained in a written instrument signed by the insured making the statement.

MISSTATEMENT OF AGE

If You have misstated Your age or the age of a Dependent, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and
3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that would have been paid if the true age had been known.

CONFORMITY WITH STATE LAW

If any part of the Policy does not conform to a state statute in the state in which it is issued or delivered, it is amended to conform to the minimum requirements of the statutes of that state.

WAIVER OF PREMIUM

If Dependent Voluntary AD&D coverage is elected, We will waive, for surviving spouse and Dependent Children, payment of all premiums coming due during a period of 24 months following the Employee's Accidental death for which benefits are payable.

PREMIUM PAYMENTS

The System has agreed to deduct from Your pay any premiums payable for Your Contributory insurance coverage(s) and to remit such premiums for the entire time Your Contributory coverage(s) is in effect.

Premium charges will begin on the premium due date which coincides with or next follows the addition of Voluntary AD&D or Dependent AD&D coverage. Premium charges for decreases in insurance amounts or termination of Dependent AD&D or Voluntary AD&D coverage will end on the premium due date which coincides with or next follows the termination or the change in amount.

This method of charging premium will not change the effective date or termination date of any coverage as defined in the Eligibility or Termination Provisions of the Policy.

If Your Annual Compensation increases during the plan year (any time other than Sept. 1), Your salary-based coverage amount will increase immediately, and premiums will increase the following September 1.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). This notice summarizes your protections.

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.
