

Help for Traveling Farmworkers

Blue Cross and Blue Shield of Texas has member advocates to help seasonal and traveling farmworker families. You can get help finding a doctor, community support and farmworker services from your health plan.

You may be a traveling farmworker or seasonal worker if:

- You and your family move to other places to work in farming
- You work in a field, nursery or orchard
- You plant, pick, pack or move fruits and vegetables or other farm products
- You take care of farm animals like chickens, turkeys, cows, goats or sheep.

BCBSTX has many Value Added Services (VAS) to help members stay healthy. These services are offered at no cost to you. Visit bcbstx.com/medicaid to learn more about VAS, limitations and restrictions.
