1. **Select a Waiting Period:** If a person is added to the Contract and it is later determined that the Employer reported a coverage date earlier than what would apply to the Employee or Dependent, based on the Waiting Period and eligibility conditions the Employer provided to BCBSTX, BCBSTX reserves the right to retroactively adjust the coverage date for such person.

a. Newly eligible individuals will become effective on:

☐ The first (1st) or fifteenth (15th) day of the contract/participation month following:

☐ Zero (0) days ☐ Thirty (30) days ☐ Sixty (60) days; or

☐ The date of employment (date of hire).

Employee and dependent Health and/or Dental Benefit Plans will become effective on the first (1st) day of the contract/participation month following satisfaction of the Waiting Period and any substantive eligibility criteria.

b. Waive the Waiting Period on initial group enrollment? ☐ Yes ☐ No

c. Number of Employees serving Waiting Period: _____

d. Substantive eligibility criteria: Provide a representation below regarding the terms of any eligibility conditions (other than any applicable waiting period already reflected above) imposed before an individual is eligible to become covered under the terms of the plan. In no event can the substantive eligibility criteria result in a delay of coverage for eligible Employees, as defined under Texas law, longer than ninety (90) days inclusive of the Waiting Period. If any of these eligibility conditions change, you are required to submit a new BPA to reflect that new information.

Check all that apply:

☐ An Orientation Period that:

1. Does not exceed one (1) month (calculated by adding one (1) calendar month and subtracting one (1) calendar day from an Employee's start date); and

2. If used in conjunction with a waiting period, the waiting period begins on the first (1st) day after the orientation period.

☐ A Cumulative hours of service requirement that does not exceed 1200 hours

☐ An hours-of-service per period (or full-time status) requirement for which a Measurement period is used to determine the status of variable-hour Employees, where the measurement period:

1. Starts between the Employee's date of hire and the first (1st) day of the following month;
2. Does not exceed twelve (12) months; and
3. Taken together with other eligibility conditions does not result in coverage becoming effective later than thirteen (13) months from the Employee's start date plus the number of days between a start date and the first (1st) day of the next calendar month (if start day is not the first (1st) day of the month).

e. ☐ Other substantive eligibility criteria not described above; please describe: _____

2. Total number of enrollment applications submitted: _____ Total number of declinations submitted: _____

If no, is Texas the state with the greatest number of Employees eligible to enroll in this group plan? ☐ Yes ☐ No

4. Is the company headquartered in Texas? ☐ Yes ☐ No

5. **Annual Open Enrollment:** For Health and Dental Plans only, an Eligible Person, who did not enroll under Timely Enrollment, may apply for individual coverage, Family coverage or add Dependents during the Employer's Annual Open Enrollment Period. For all lines of coverage, enrollment period will be held thirty-one (31) days prior to the Contract Anniversary Date of the program.

6. **Domestic Partners covered:** ☐ Yes ☐ No
If yes, a Domestic Partner, as defined in the Certificate Booklet, shall be considered eligible for coverage. The Employer is responsible for providing notice of possible tax implications to those covered Employees with Domestic Partners. An Employer may only elect or change Domestic Partner Coverage on the Contract Effective Date or Contract Anniversary Date.

Continuation coverage for Domestic Partners: If Employer elects coverage for Domestic Partners, Domestic Partners are eligible for continuation coverage under Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) if the Employee elects COBRA coverage. Employer shall determine eligibility for COBRA continuation for Domestic Partners, if any. Please indicate your election below:

☐ Yes, Employer elects to offer continuation coverage to Domestic Partners, as defined in the Certificate Booklet on an independent basis from the Employee

A child not listed above who is legally and financially dependent upon the Employee or spouse (or Domestic Partner, if Domestic Partner coverage is elected) is also considered a Dependent child under the Group Health Plan, provided proof of dependency is provided with the child's application. To be eligible for coverage, a child of an employee's child must also be dependent upon employee for federal income tax purposes at the time application for coverage is made.

2. **Minimum Participation and Employer Contribution.** BCBSTX reserves the right to:

b. Request confirmation of and review participation and contribution on existing business and non-renew or discontinue health coverage if BCBSTX is unable to determine if the fifty percent (50%) minimum Employer contribution is not met and/or less than seventy-five percent (75%) of Eligible Persons (less valid waivers) are enrolled for coverage for six (6) consecutive months.

If applicable, BCBSTX reserves the right to change premium rates when a substantial change occurs in the number or composition of subscribers covered. A substantial change will be deemed to have occurred when the number of Employees/Subscribers covered changes by ten percent (10%) or more over a thirty (30) day period or twenty-five percent (25%) or more over a ninety (90) day period.

When issued, the Contract(s) will include this Employer Application and any Addenda issued pursuant to this Employer Application.

6. Premium rates for the coverages applied for are determined by BCBSTX and will become a part of the Contract(s) issued by BCBSTX and any amendments thereto.
